Stones: Their Spiritual Properties Version 1218

The following properties are from folklore and should be used in addition to any medical help you might need. All stones and prices are subject to change and availability. Results are not guaranteed.

How to choose a particular stone: Use your first impression and your intuition. Allow yourself to choose an imperfect stone if you are drawn to it.

<p>How to cleanse a stone: Pack it in salt for one hour to one week. Leave it overnight in water with sea salt added. Leave it an hour or overnight, under the full moon light. Cover with dried pennyroyal herb for a night. Wash it under running water. Bury it in the earth for an hour to a week. Blow a cleansing breath over it. Use your imagination for ways that are significant to you.</p>	<p>Chakra Stones:</p> <table> <tr><td>Crown</td><td>Diamond, Amethyst</td></tr> <tr><td>Brow (Third Eye)</td><td>Lapis Lazuli, Quartz</td></tr> <tr><td>Throat</td><td>Turquoise</td></tr> <tr><td>Heart</td><td>Emerald, Tourmaline, Jade</td></tr> <tr><td>Solar Plexus</td><td>Amber, Citrine, Topaz</td></tr> <tr><td>Spleen</td><td>Coral, Carnelian, Tiger's Eye</td></tr> <tr><td>Root</td><td>Ruby, Garnet, Hematite</td></tr> </table>	Crown	Diamond, Amethyst	Brow (Third Eye)	Lapis Lazuli, Quartz	Throat	Turquoise	Heart	Emerald, Tourmaline, Jade	Solar Plexus	Amber, Citrine, Topaz	Spleen	Coral, Carnelian, Tiger's Eye	Root	Ruby, Garnet, Hematite
